DXpedition News

Peter I Island - 3Y The Norwegians continue to wend their way through the ice-strewn Antarctic toward Peter I. The exact date of landing depends on ice and weather conditions in the area, but can be any day now. Kare LA2GV and Einar LA1EE have been active on 20 meter SSB during the two-week journey from Christchurch NZ, especially on 14162. Listen for latest news.

Transmitting frequencies for **3Y1EE** and **3Y2GV** are 14022 and 14145 kHz. Also watch 3503, 7003, 21022, and 28022. On SSB try 3788, 7043, 21195, and 28495.

Contributions for this major DXpedition are still solicited: via NCDXF for USA DXers, via DXFF for JAs, RSGB DX News for Gs, OH2BH for OHs, and SM5DQC for SMs. Let's show the DXAC that DXers like New Ones!

Seychelles - S79 Lloyd and Iris Colvin continue weak but workable as **S79KG** (AF-24). West Coast DXers have had some success 18-1900Z on 20 M CW. The short path is straight over the North Pole; try a little to either side of due North. East Coasters have a better shot, as early as 1400Z. QSL Yasme.

Libya - 5A Our first NA report of **5A0A** has him on 14005 at 1343 on Jan. 7. His CW is very slow, and often strange. QSL via SP6BZ (who is not in 1987 Callbook.) The DXCC desk has received some documents in Arabic, which are being translated. QRX.

Marshall Is. - KX The Kwejalein ARC will operate **KX6BU** (OC-28) Jan 31-Feb 9, on 14250, 21350, 28550, 7025, 14050, and 28050. A special certificate and QSL is available for US$3 from Box 444, APO San Francsico CA 96555. (Thanks WorldRadio.)

St. Lucia - J6 Bill K4TLA will operate **J6TLA** Feb. 19-28, including the ARRL CW DX Test. Then on to **Dominica - J7** (NA-24) in early March, including ARRL SSB, as **J70A**. QSL routes to ba announced.

Shortly Noted

• W4QM winds up his stint on Chagos (AF-06) as **VQ9QM** in late February, when he returns to answer thousands of QSLs.

• John Thompson W1BIH has started his annual vacation in Curacao (SA-06) as **W1BIH/PJ2**. He'll be there until mid-April, and is always very active, especially on CW. Try 3507 at 00-0100Z, for example. Look for John as **PJ9J** in major contests. QSL W1AX.

• **KC4USX** daily on 14276 at 0200Z, 0550, and 2000-2200Z. (DXNL and Inside DX)

• **FT8ZA** on Amsterdam Is. (AF-02) now active.

• **Singapore - 9V** is on 30 meters, as of Jan. 1, 1987.

• **Mali - TZ** W4LZZ is now in Mali. and expects to be active as **TZ6ZZ**. QSL W4FRU.

• **Djibouti - J2** J28EM in a net 14183 at 18-1900Z.

• **Ascension Is. - ZD8** ZD8CW (AF-03) 7001 23-0100Z.

Low Band News

• **FT8WA** (AF-08) has been delighting West Coast low-banders daily on 3797 at 1600Z. He has also been logged on 20 SSB a little later. Try 14235 at 1900Z. QSL F6FNU.

• **8Q7CH** is back in the Maldives (AS-13). He expects to be on 160 with a new ant.

• **USSR on 160** Russian stations are looking for US Top Banders above 1850 kHz, for 2xSSB QSOs.

• **160 Meter WAZ** Noted Top Bander **G3SZA** worked Zone 26 for his zone #40!, the first DXer to earn CQ's new 160 WAZ. Congratulations! (Loud ten watts! -ed.)

• **Andorra - 3C** 3C1NP 3513 01-0200Z.

• **Franz Josef Land** UV100, RZ10WA, and UA10T keep the low bands humming. 3503 at 00Z, 1837 at 01Z, 1833 at 02Z, for example.

• **Belgium on 160** Anyone not yet work **ON4UN**? 1833 03-0700Z. Also ON5OS, ON5WQ, and ON6BY are active on 160.

• **UP1BZZ** 1835 at 0400Z.

— **Chod Harris VP2ML Editor**

Thanks N4XX and KH6BZF.

Propagation Watch

The low bands continue to provide plenty of DXcitement. Low absorption has kept signal levels higher than usual, and DXers are making more long-haul contacts. Absorption is expected to remain low, so spend some time on 80 and 160!

Solar flux has been hovering in the 70-75 range. It takes an increase to about 80 to open 15 meters, and a further increase to the 90-range for 10 to open, at this point in the sunspot cycle. Keep a listen on WWV at 18 minutes after the hour, and try those higher bands when the flux is pushing up.

DX Events

Tropical Hamboree Miami FL Feb 7-8. The South Florida DX Association will moderate a DX and contest forum Saturday afternoon, followed by a Hospitality Suite that evening. Your TDXB editor is on the program. See you there!

International DX Convention Visalia CA Apr 3-5. The biggest and best all-DX convention in the country will feature a wide range of prominent DXers from around the world. Jim Neiger N6TJ will talk about his JY7Z operation. Ron Wright ZL1AMO may show slides of his Christmas Island trip. Baldur DJ6SI is making plans to attend. And Chuck Taylor KC7UU may discuss his African travels. Plus the usual DX and contest forums, CW copying contest, and more. Pre-registration is $40 (until Mar. 8) and includes the Saturday banquet, Sunday brunch and two cocktails parties (one co-sponsored by The DX Bulletin.) Register via Jim Hicks KK6X, 2260 Santa Fe Drive, Santa Rosa CA 95404. Hotel reservations should be made direct to the Grosvenor Hotel (formerly Holiday Inn) at (209) 651-5000. Say you are with the convention. The 800 number will say the hotel is booked, and so will some of the reservations clerks. The hotel is NOT yet sold out; be persistent and you'll get your room. See you all in Visalia!

Dayton Hamvention Dayton OH April 24-26. The largest amateur radio gathering in the world attracts DXers and contesters from all over the world. The Stouffer Hotel is where the action is. Again this year the Southwest Ohio DX Association will host a DX dinner on Friday evening. Don't miss this one! Registration details are in the ham magazines. And, of course, The DX Bulletin will be there!

Ham Radio 87 Friedrichshafen, West Germany June 19-21. Europe's largest ham radio gathering (about half the size of Dayton) is the place to be for any ham planning a trip to Europe this summer.

YL ISSB System Des Moines IA June 24-28. Closer to home is the YL ISSB annual convention at the Hotel Fort Des Moines. Contact Rex White WA0AVW, 3023 Fairman Ave., Rhodes IA 50234 for more information (4 1/2x9 envelope with $0.39 postage, please.)

Working and Confirming 9Q5NW - Zaire

Tom Gregory 9Q5NW says that on SSB he normally transmits on 14175-80, working split if the pileup is large. On 40 he transmits on 7045 or 7083, and announces his listening frequency, which chances often due to broadcast interference. On 80 watch 3775 or 3794, working split. CW 25 kHz up from the bottom of the band. RTTY on 14090.

His low band operating schedule (when he is in Zaire) is 80 meters on Saturday and Sunday from 0400 until the band goes out. Then he moves to 40 meters for about another half hour.

QSL to Box 368, Stockbridge GA 30281. Non-US stations can send cards via to bureau to N4NW. (Don't use the 1987 Callbook address for AL7EL, nor the KL7 bureau.) Tom writes, "The KL bureau is not equipped to handle the number of cards that will be generated by my operations. My QSL manager is very close to the N4 bureau and has arranged to pick up cards addressed to my call: N4NW. In light of this, all stations are kindly requested to QSL direct with SASE or IRCs and not to use the bureau."

"My QSL manager processes bureau cards after all other cards are processed. Cards received direct without return postage will not be answered. NO EXCEPTIONS!"

Tom says that Duncan 9Q5DA will be on soon from Zaire, and he favors CW and RTTY. KC4NC will be QSL manager: Tom Brown, 742B West 21st St., Norfolk VA 23517. Direct QSL preferred.

Club Officers

The DX Bulletin salutes the following DXers who have been recently elected club officers:

Northern Illinois DX Association
Steve Lamb W9NUF President
Ed Goodbout W9DWQ Vice President
Bob Farkaly K9RHY Secretary
Larry Greenberg WA9MAG Treasurer

Dixie DXers Contest Club
Rick Dougherty NQ4I President
Jack Lennox AA4LU Vice President
Bob Brockman WX4G Contest Director
Bob Furzer N6BFM Activities Manager
Sheila Dougherty KB4IUC Sec./Treas.

HJ6MLV Not Columbia's Youngest Ham

The Liga Columbia de Radioaficionados reports that HJ6MLV (I364) is not that country's youngest amateur at age 14. Last year two persons received their licenses at age 9. And the HJ prefix is nothing special; since last year, every Novice in Columbia has received the HJ prefix. Tnx LCR.

Be DX - Last Resort Available

Your last chance this winter to operate from The Last Resort, the fabled rental QTH on Montserrat, is this Feb. 11-18, 1987, for $250. Contact The DX Bulletin for complete details.
